HAPPY NEW YEAR 🍷🍷🍷 It is 2022 and it's time to start it off right! There is no better way to usher in the year than with powder yells and snow beards. Who is coming up to shred today?

Happy New Year's Eve from all of us at Brighton! This year has provided us with something that brings us all together in the mountains, heaps of snow! Thank you to everyone who rode at the resort and thank you to all of our employees who put in so much hard-work in 2021 🙏
