## Happy New Year!

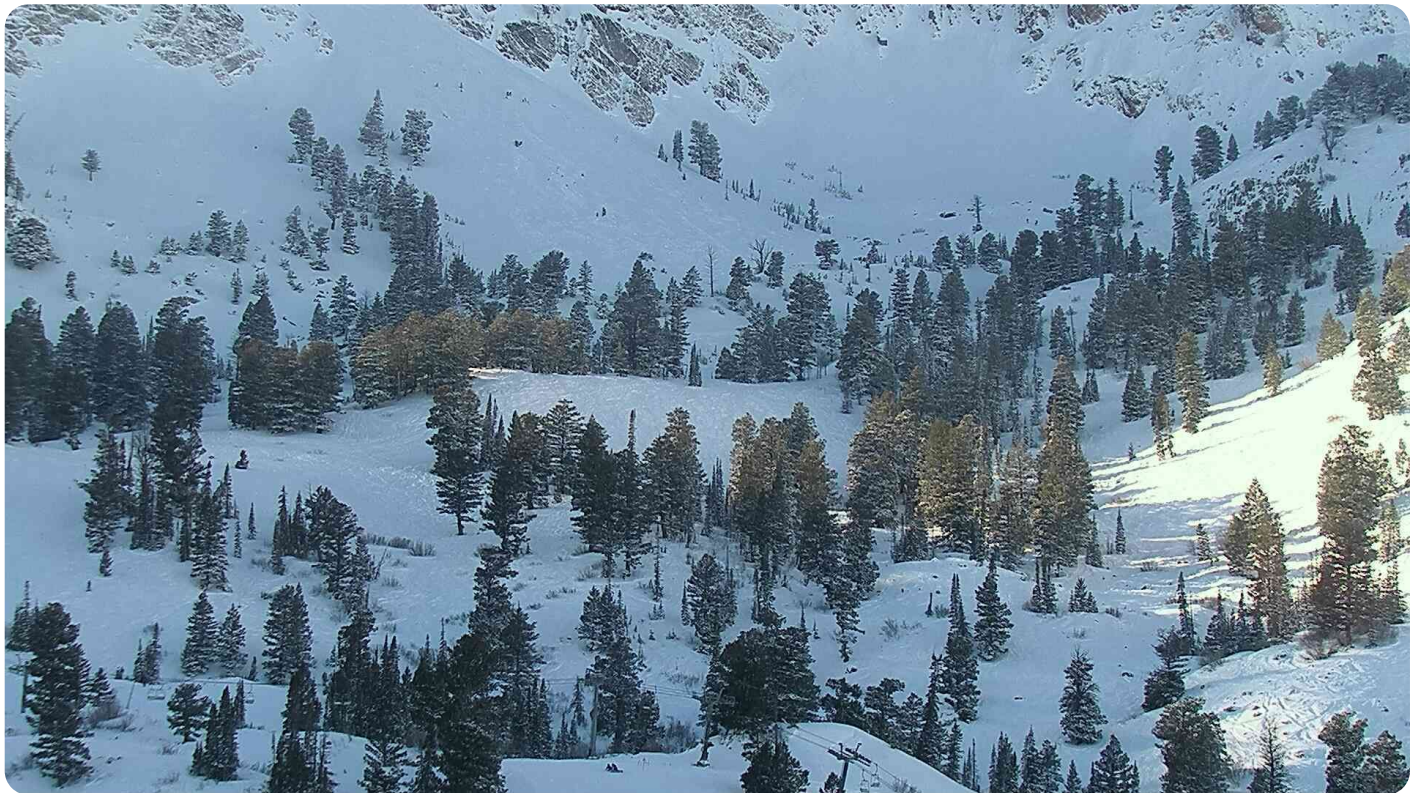

We are ringing in the new year with sunshine and more terrain openings! It was an incredible week as we received 45 inches of fresh snow. Today is going to be a gorgeous, sunny day but be sure to bundle up, the high is near 12°. The wind will be blowing in from the northwest around 10 mph. The sunshine is going to stick around through Monday night when clouds are going to start rolling in for the next storm.

We are eagerly opening more terrain as quickly as possible. The Wildcat Handle Tow is now OPEN, along with 72 other trails! Have a safe day at the resort by respecting all run closures.

Strawberry Gondola is CLOSED. All skiers should return to main base area via Penny Lane.
