Aspen Mountain Snow Report

Today

Updated 07:22 AM Jan 01, 2022

Saturday, January 1. Welcome to Aspen Mountain and our 75th anniversary season! New snow overnight and more falling today! All runs groomed before 5 a.m. will have 3-4"+ new snow on top. Runs groomed after 5 a.m.: Deer Park, One and Two Leaf and Silver Bell. Lifts may run slow or stop due to winds. Be aware of areas with wind drifted snow. Happy New Year!

Snowmass Snow Report

Today

Updated 07:21 AM Jan 01, 2022

Saturday, January 1, 2022. Get to know the mountain with a local Ambassador; free daily tours meet at top of Sam's Knob at 10:30am, for intermediate skiers and riders (for orientation, not lessons). The Limelight climbing wall is open every afternoon. Happy 2022! Safety tip: Keep your equipment in good condition. Skis/boards with rough edges and scarred bases can behave erratically.
